BROOKE ACKERMAN, MSDH

CONSULTANT

DEAR DOCTOR,

A well-tuned Hygiene Department lifts the whole practice:

- Clear Treatment Protocols for **Better Patient Care.**
- Happy patients through good **Customer Service.**
- Increased Patient Flow for **Practice Vitality.**
- Hygiene compensation and productivity in balance for **Better Profitability.**
- **True Teamwork** and **Good Staff Retention.**

We Can Make It So!

CONTACT BROOKE TODAY FOR YOUR HYGIENE SYSTEMS CHECK-UP \$680

Telephone: 952-921-3360

Email: APM@AdvancedPracticeManagement.com

Text: 952-228-9486

- Brooke will give you an informed third-party perspective on your hygiene department using realistic statistics from our area.
- It's not unusual for a practice to add \$100's or \$1,000's to their production after just one visit following the check-up.

MANAGEMENT and TRANSITIONS

As an efficient and personable Dental Hygienist, with a passion for educating and connecting with clients in areas that truly make a difference, Brooke is known for her ability to work as part of a dynamic team of professionals committed to excellence. Through implementation of custom, successful systems, she is able to maximize potential and create positive results by reintegrating each clients individual philosophy and goals to be able to give patients what they deserve: the absolute best dental care available.

Brooke has over 10 years of experience practicing clinically as a Dental Hygienist and holds a Master's degree in Dental Hygiene, with a focus on Management through the U of MN/Carlson School of Business.
