# February is Dental Health Month!

---

---

Your friend  
gets a free  
checkup  
and  
you get a  
thank you  
gift!!

Did you know that 1 out of 3 Americans has not seen a dentist in 2 years or more? We want to change that but we need your help.

From now until March 1, 2008, Dr. Smith will donate time to help your friends, co-workers and family members get that checkup they have been putting off. Tell them it's free, it's painless and it takes less than 20 minutes.

Just ask them to mention **your name** and the **Dental Health Month Checkup\*** when they call 000-000-0000 for an appointment.

For each person you help, we will:

- Send you a \$20 certificate toward any dental service (including teeth whitening)

**or**

- Donate \$20 in your name to Smile Train

**or**

- Send you a \$20 certificate to Applebee's

Thank you for helping us help others. *Spread the word!*

\*Includes exam and BW x-rays if necessary.  
This offer for new patients only please.
