

Stop writing off \$20,000, \$30,000, \$50,000 or more a month!

Get on top
of your
PPO situation

This will add more to your
bottom line than anything
else you can do.

Cut back on PPOs. You have more
power than you think.
It is easier and safer to do than you
think. We'll show you how.

For over 20 years we have been helping Dentists and
their teams with PPO decisions and transitions.

Keep the patients,
Lose the write-offs!

CALL TODAY for your
complimentary 20-minute
Consultation.

No hype, no pressure.
Just straight talk.

Bill Rossi

Bill Rossi has over 40 years of practice
management experience.
He is Dentistry's leading expert
on PPO decisions and transitions.

Shelly Ryan

Shelly Ryan has over 30 years of experi-
ence working with practices of all levels
of PPO participation. She can analyze
your situation and prepare your team.

Heidi Benson

Heidi Benson has worked with various
"insurance free" offices for years. Her
experience helps support teams and
dentists through the process of drop-
ping PPOs and with ongoing success
in non-participating offices.
